MEMORANDUM FOR THE DIRECTOR

FROM:

SUBJECT: European Trip, 2-9 September 1978

We are back on track for a 2 September departure. Some notes:

a. We shall arrive Paris, LeBourget Airport, vice Orly, (to facilitate our arrival) at approximately 2250 on 2 September.

b. I have placed dinner with Mrs. DeHaviland in a hold pattern; however, from previous guidance, she will be in Paris on the 3rd and would accept dinner with Mrs. Turner and you "with pleasure." I'm afraid this has gotten somewhat in cement. Following options:

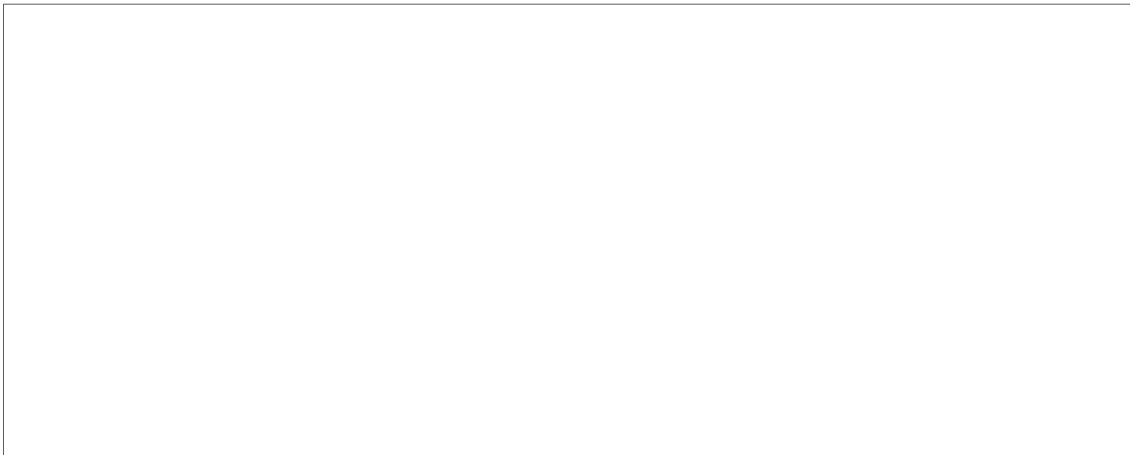

☐ Advise Mrs. DeHaviland that you are unable to do dinner on this trip.

☒ Let the dinner schedule ride for the moment.

f. Evening of 4 September is presently ~~full~~.
